

Wood County Master Gardener Volunteers

Wood County Events

March 22
7:00 PM
Wood Co. Court House

Membership Awards
Educational Signage
Project Information Boxes
Community Edu. Team
Business Meeting

We will start the evening honoring our members who earned volunteer hour milestone awards for 2015.

Karleen Remington, will discuss the WIMGA grant that she and the Community Education Team applied for to purchase boxes for educational materials at project sites.

Ruth Cline will demonstrate the information boxes usage.

Teri Lessig, our Horticulture Advisor, will have examples of educational signage for some projects ready to pick up that night also.

A business meeting will bring all up to date on our upcoming events and projects.

April 26
6:30 PM
Wildwood Zoo
Marshfield

NOTE EARLY START TIME

Pruning Demonstration
Business Meeting

Arborist Mark Pinkalla, of First Choice Tree Care, in Stevens Point returns to WCMGs to present a pruning demonstration at the Wildwood Zoo, 608 W. 17th St. in Marshfield. Mark has a degree in Urban Forestry from the University of Wisconsin Stevens Point. He is a certified arborist and has been with First Choice for many years.

The zoo will be closed by the end of our meeting so note the early start time. Arrive earlier than meeting time if you are interested in touring the zoo and our WCMGV gardening project.

There are many North American animals housed at the Wildwood Zoo; eagles,

lynx, elk, bison and wolves, to name just a few.

An exciting recent addition to the zoo is a pair of Kodiak bear cub siblings.

Driving Directions to Zoo.

Enter Marshfield on Hwy 80 or Hwy 10 and take Co. Hwy BB West exit at the traffic circle. Drive one mile and turn right on Lincoln Ave. Drive 1.7 miles and turn right on West 17th St. Go 1/2 mile to the parking lot on the right.

The parking lot to use for our meeting is off West 17th St. It is the closest one to the open-sided shelter where we will hold our business meeting. Park in that lot and walk into the zoo. Meet by the front of the Kodiak Bear pen for the pruning demonstration.

Remember to dress for the weather.

UW Extension

University of Wisconsin, U.S Department of Agriculture and Wisconsin counties cooperating. UW-Extension provides equal opportunities in employment and programming including Title IX and ADA. Please make requests for reasonable accommodations to ensure equal access to educational programs as early as possible preceding the scheduled program, service or activity.

The Wood County Master Gardener Volunteer newsletter is designed to inform you about the Master Gardener and University Extension activities as well as educational articles. Please let us know if there are any subjects you would like covered in future newsletters.

Teri Lessig Matt Lippert

From the President's Notebook

Winter is one of my favorite seasons...time to catch up from three busy seasons, enjoy quiet time reading/writing, snow shoeing, lingering over morning coffee and sipping hot tea in the long evenings. This winter has been a bit different; last June Bob and I moved into our new retirement cottage and have been working diligently on the move plus downsizing our collections. It has been a walk down memory lane as we unearth items and make decisions — to keep or find new homes for our many treasures. This past summer we held three Barn Sales, such fun to meet wonderful, new folks searching for just that right prize to add to their collection.

We look forward to spring and we are excited to return to work with native plantings around our farm. This winter we attended Garden Visions in Wausau and Wild Ones Convention in Oshkosh and gleaned many new ideas to include in our natural areas.

As I review last year's accomplishment report it gives me great satisfaction to see all of the projects WCMGV were involved in. The WCMGV members made it happen! Thank you for a very successful year! Enter 2016 with January already gone and February half over I am amazed at the energy shown by our hard working committees that already have had planning meetings or have meetings scheduled planning for 2016 events. Our board held their first meeting in January and spent considerable time reviewing needs for 2016. If you read Teri's article on planning for 2016 and beyond in the December 2015 newsletter and received/reviewed/answered the one question survey that she sent out to all WCMGVs then you know changes at the UW Extension are for real! I strongly recommend that everyone read or re-read Teri's article in the December 2015 newsletter and consider which areas within the WCMGV Association you are interested. There are many, many opportunities for all members in WCMGV to be involved. We are a very successful resource in the community.

Master Gardeners were established with a purpose to

give back to the community as our mission statement states "To educate and share information with its members and the community alike." a quote from our mission statement.

WCMGV association has 111 members of which 84 are certified. March 22, 2016 is our first membership meeting of the year. This is an excellent meeting for all members to attend. The meeting will include Certified MG Volunteer hour awards, another chance to sign-up for a project or area of interest, various bits of information, handouts, new ideas for community education (brochure holders), educational signage available for project gardens who requested a sign. Also, social time to enjoy awards cake and gardening talk. WCMGV cookbook committee will discuss the new cookbook plus other committees/project leaders will share information in their respective areas.

The WCMGV newsletter provides a monthly newsletter to all members as a means of keeping everyone informed about MG and UW Extension activities and educational articles. In 2016 we encourage more participation from the membership in spreading the news about our events, projects, committees and other meetings, articles or stories about an event that you attended and that others would enjoy, photos of your project with a caption...or other information which will enhance our newsletter and help keep everyone informed. Send to Chris Landowski (see email address below).

News from Teri

Spring is just around the corner...

I sent out an e-mail to the membership (and snail mail to some) in January requesting your response to a host of new teams focusing on administrative and education opportunities. Thank you to everyone who replied! I am scheduling meetings for each of these proposed teams to gather like-minded people to explore ideas. The brief description of each team, meeting date and time is listed below. Anyone is welcome at these exploratory meetings, even if you did not express your interest in the survey. We will meet in the ETN room at the courthouse. Each meeting will only be one hour and several are back-to-back over several days. If there are any questions, please contact *Teri*

Team Newspaper Article

Mon, Feb 29, 4:00pm

- * Write timely articles
- * Edit / review and submit to local papers

Newsletter Team

Mon, Feb 29, 5:00pm

- * Submit reviews of places, books, plants, etc. along with informational articles and upcoming events
- * Design / layout
- * Reviewers
- * Printing and distribution

Project Support Team

Mon, Feb 29, 6:00pm

- * Plant ID label making
- * Develop educational signage

Publicity Team

Mon, Feb 29, 7:00pm

- * Press releases for upcoming events and even for past events
- * Posters and advertising
- * Informational brochures
- * Website and Facebook page

Community Work Day Team

Tue, Mar 8, 5:00pm

- * Use beautification project locations to host hands-on workshops teaching community members horticultural practices

Garden Clinics

Tue, Mar 8, 6:00pm

- * Once per month at farmers markets
- * At MG events such as plant sales and garden walk

Garden Hotline

Tue, Mar 8, 7:00pm

- * Advertised as one morning or afternoon per week at UWEX office and MARS

Community Outreach and Education

Tue, Mar 15, 5:00pm

- * Garden Discussion Groups
- * Formal Presentations
- * Demos at local garden centers
- * Demos at plant sales and garden walk
- * Film Screenings
- * Booth displays / information

Horticulture Advisory Team

Tue, Mar 15, 6:00pm

- * Provide on-site garden advise to qualified locations

Youth Education

Tue, Mar 15, 7:00pm

- * Programs at Libraries
- * Any programming targeted toward youth

2015 Audit Committee Report

Two members of the Audit Committee, Chris Grimes and Ruth Cline, met with treasurer, Barb Herreid, on January 7th to perform an internal audit of the 2015 financial records of the Wood County Master Gardeners. We have a procedure that is followed each year which includes the following tasks:

- ◆ Reviewing the checking account check register and ensuring that there is a matching voucher for the expense, that the amounts agree and that the check cleared the bank statement for that same amount
- ◆ Deposits are reviewed and compared with the bank statements
- ◆ Savings account and Certificate of Deposit records are also reviewed
- ◆ All account balances are compared to the Quick Books financial reports
- ◆ Beginning and year-end balances in the check book register are verified and compared to the Quick Book records; each member of the audit committee signs their name in the check book register at the end of the year.

The audit committee prepares a signed report which is presented to the board of directors and may include any recommendations for the future.

For 2015, all financial records checked out in accordance with the above procedure. The treasurer's records were found to be accurate and well documented. Members of the audit committee may serve a maximum of three years. If you are interested in helping to perform next year's audit of 2016, please contact Barb Herreid.

**General Membership Meeting Minutes
Wood County Master Gardener Volunteers
MARS, Marshfield, WI Nov. 17, 2015
One hour Cont. Ed.**

Meeting was called to order at 8 p.m. after an hour presentation on care and cleaning tools by Craig Saxe, Agriculture Agent for Juneau County.

Minutes were presented: Peg Harvey moved to accept the minutes as written, seconded by Bob Cline; motion carried.

Financial report: Presented by Barb Herreid, motion made to accept as presented by Carol Tomke; seconded by Audrey Brundidge; motion carried.

Old Business:

- **Annual Dues form** and checks were due at the time of the meeting. If forgotten, please send by November 19th. December 1st is the last day to submit receipts for reimbursement for projects.
- **WCMGV required hours** are due by November 19th. Ruth stressed that even if members are not qualifying this year, to please turn your hours in anyway so that they can be counted, as this is important data forwarded to the WIMGA!
- **Question** was raised about whether anyone was having trouble printing the State newsletter. It was decided for any individuals to reply to the email the newsletter came in and see if there was anything on the sender's end to help with that situation. No other old business.

New Business:

- **Extension Update:** Teri had copies of the 2016 timesheets printed for anyone to pick up. The timesheet is also on the state website and will soon be updated on our website for those who keep track of their hours on a computer or would like to print it out themselves. All is quiet in the extension office. A question was raised about whether any more MGCV pencils would be ordered as they are gone after four years. It was decided to contact Chris Landowski as it was remembered that she was the last one to order them. Another question was asked about having soil sample kits for the children's festival available. Teri said they were in the office or at the soil lab at MARS.
- **WIMGA grant:** Ruth thanked Karleen Remington for taking the time to submit for a grant application which was awarded and will be used for all the projects. The community education team will meet and review plans and details to use this grant.
- **Nominees to the 2016** Board of Directors were announced. There were no other candidates since those nominated last month. A motion to close the nomination for North Wood County Board Member was made by Bob Cline, seconded by Barb Herreid; motion carried. Vote taken orally. Karleen Remington is the new board member for North Wood County. Nominations for secretary was put forth. Sue Wilford and Mike Datka were the nominees. A motion to close nominations for Secretary was made by Barb Moes-Kleifgen, seconded by Mary Czaja; motion carried. Vote was taken by secret ballot. Majority vote went to Sue Wilford. Thank you gifts were presented to outgoing board members Famia Marx and Lynn Bushmaker. They both were thanked for their support to the WCMGV organization.
- **Marshfield Children's Festival** chair Karleen Remington is looking for a committee and waiting for the renewal form with names so she can get a committee formed.
- **Christmas Event/South Wood County** Micky Erickson has everything organized. The various organizations sponsoring the event have enough help and all is in order. Scheduled for December 5th and 6th between 1:00 PM and 5:00 PM at the South Wood County Historical Museum.
- **Chris Landowski** asked that more people submit to the newsletter. Items such as meetings, work dates, news that may be of interest to the membership would be helpful.
- **Announcements:** Bob Cline thanked everyone for the letters received about his honor flight as well as the concerns for his health when he was in the hospital.

There was no other new business.

Motion to adjourn at 8:30 PM made by Lynn Bushmaker, seconded by Bob Cline. Motion carried. The next meeting will be announced the January/February newsletter.

Members enjoyed a fun gift exchange, holiday treats and warm/friendly garden talk during the social that followed meeting!

Respectfully submitted,
Famia Marx, Outgoing secretary WCMGV

Members Attending: Nancy Lee Alger, Shirley Anderson, Annette Bowden, Debby Brown, Audrey Brundidge, Lynn Bushmaker, Julie Carlsen, Bob Cline, Ruth Cline, Mary Czaja, Mike Datka, Liz Erdmann, Michaelleen Erickson, Joyce Fischer, Fern Fregien, Chris Grimes, Peg Harvey, Barb Herreid, Paula Klevene, Mary Jane Lipinski, Famia Marx, Barb Moes-Kleifgen, Tammera Neumann, Kay O'Shasky, Jeanne Osgood, Patricia Paulus, Kathryn Poehnelt, Karleen Remington, Jean Rockwood, Gail Snorheim, Judy Sternitzky, Roberta Stolt, Donna Streiff, Carol Tomke, Margaret Weister, Sue Wilford, Penn Wilkes and Teri Lessig. Guests were Joy Mareder and Anne Ambroziak.

You Need to Know.....

WCMGV's New Secretary, Sue Wilford

Sue Wilford retired from her nursing profession in 2014, where she worked 35 years in hospice and palliative care. She completed Master Gardener Basic training in 2013 and works at the park and library in Vesper. After completing the 'Responding to Horticulture Inquiries' education, she assists with horticultural questions at the Wood County Extension office. Sue volunteers for hospice at the House of the Dove and sewing 'Memory Bears.' Sue and her husband, Dale, live on a 23-acre ranch near Arpin, with three horses, chickens and two cats. They maintain an apple orchard and a berry patch as well as vegetable and flower gardens. Sue and Dale have three married children and six grandchildren who love to spend time at the ranch with all the animals and space to run free. Sue's hobbies are sewing, needlework (hardanger embroidery and tatting), crocheting, baking and cooking, food preservation, horses, gardening, and camping.

Karleen Remington, Director, No. Region

I have been a member of Wood County Master Gardener Volunteers since 2000. I took my training shortly after retiring from 35+ years of teaching — most of them at Marshfield High School. I taught in the Family & Consumer Science department along with part-time work in Student Services.

I have served on several Master Gardener committees including programs and project approval. I co-chaired the Cinema Lot garden project in downtown Marshfield for about 10 years and am currently consulting with the Main Street Marshfield director in managing the downtown Marshfield gardens. This will be my second stint on the Board of Directors representing the northern part of the county.

My husband, Robert, and I have a part-time home in the Michigan UP where he grew up. So I get to maintain two sets of gardens while enjoying the north woods. In between I relish time with the members of my book group, work on the Marshfield Children's Festival and sit on the Central Chamber Chorale Board of Directors.

Karen Tlachac, Public Relations, Chair

This year marks the sixteenth year that I am a master gardener. In 2000, I completed the course and joined the group. There was such a large group of students that we had to have the class moved from the county board room to the auditorium. This was also the time that I became a member of the UW Extension staff. I was fortunate to work with Tod Planer, Peter Manley, Joy Close, Matt Lippert and Terri Lessig. They expanded my horizons, knowledge and appreciation for gardening, insects and nature.

The South Wood Historical Museum was my first project for nine years as well as Ag Day and the Garden Walks. This was also the time when the Veterans Memorial in front of the courthouse was erected that entailed weeding and watering. Now the Children's Festival, Edgewater Haven and the web site are projects I work on.

What I especially enjoyed was making wreaths at Christmas time, learning apple grafting, and attending a pruning

workshop on site. Phil Pellitteri, Bob Tomesh, Susan and Dan Mahr, and Brain Hudelson came to Wisconsin Rapids to give great lectures. And how could I forget growing mushrooms and having garden plots at Altenburg's Farm with the Boys and Girls Club? Now, I have the challenge of landscaping my own yard.

All in all, it has been a great experience with some really wonderful people who work so hard and love what they do. Maybe if everyone enjoyed gardening, the world would be a much better place.

President's Message (continued from page 2)

WCMGV Volunteer Service Value-2015: Total hours=7,393 x \$22.24 = \$ 164,420. We have many talented members As I said in the 2015 accomplishment report in our December newsletter, you are truly a valuable asset to Wood County and surrounding areas. No matter where one travels in Wood County you will find activities by WCMGVs. WCMGV Volunteer Service Value-2015: Total hours=7,393 x \$22.24 = \$ 164,420. We have many talented members within our WCMGV association.

Together we can survive any changes, support the reorganization of UW Extension, develop our teams, be flexible, be transparent, share the work load, consider all members input and continue to "Make the Best Better". (Quote from a longtime 4-H Leader.)

The better part of one's life consists of friendships...

Abraham Lincoln

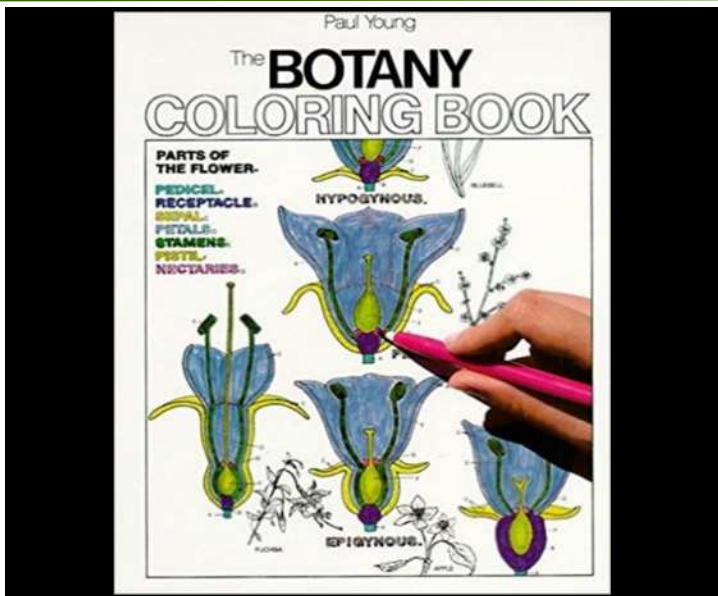

See you all in March,

Ruth Cline

**The Spring Educational Seminar is
Scheduled for
April 9th at MSTC
Wisconsin Rapids**

Caught in the Act!! The Vesper WCMGV gardening team at a recent breakfast meeting. Hmmmmmm, so who took the picture?

Book Review by WCMGV Tom Ptak

While looking at a few local bookstores, I discovered piles of adult coloring books which are very popular to pass some quiet times in the winter months. I believe some Master Gardener Volunteers get that cooped up feeling not being involved in winter gardening and wonder how to educate themselves on our wonderful hobby as well as relieve some stress. I wondered to myself, "Is a coloring book available with botanical illustrations that include information on parts of flowers and trees?"

The Botany Coloring Book by Paul Young ISBN # 798-0-06-460303-7 answered my question. The over one-hundred-page soft cover coloring book as a new approach to learning botany through the study of plant structures, plant functions and life histories. A quote from an old Chinese proverb states: "I hear, and forget, I see and I remember, I do and I understand." What a creative way to study horticulture! The instructions prior to each chapter are well presented. The index is well referenced and the illustrations are very well drawn. It's amazing what one can learn coloring plant anatomy while having plant parts named right next to the drawing. My rating is four out of four stars. The book is available to order from Amazon or Barnes & Noble on-line sales sites.

Dates You Need To Remember

Wis. Rapids Plant Sale Committee Meetings: Feb. 18 and Mar. 10 both at 4:00 PM and held at WR Courthouse. Both are in room 115.

20th Anniversary Celebration Meeting: Feb. 29, 6:00 PM, McMillan Library, Wis. Rapids. All members invited to share ideas to Celebrate WCMGVs 20th anniversary 2017.

Spring Continuing Education Seminar: April 9th MSTC — Wisconsin Rapids

Marshfield Children's Festival: is April 16th at the High School Field House. Time is 9:30 AM to 1:30 PM. New this year the WCMGVs are going to participate in this event and plan to have a booth and provide children's garden-related activities, plus have WCMGV informational materials available for adults.

Wisconsin Rapids Children's Festival: April 23rd Lincoln High School Gymnasium 10:00 AM — 3:00 PM

Wis. Rapids Plant Sale: May 14 — 9:00 AM to 1:00 PM Deb DeByl and Joanne Holden

Garden Walk Meetings: March 21 and April 9th

Marshfield Plant Sale: Sept. 17th & 18th.

Educational Programs at the Vesper Library

- **Landscaping With Native Plants:** scheduled for Tuesday, February 23rd, 6:30 PM
- **Wine Country Video & Coloring:** Tuesday, March 1st, at 6:30 PM

WCMGV Tom Paul (center, with hat) and other volunteers working at the Wis. Rapids Community Gardens project.

Upcoming Events

Wisconsin Farm Technology Days

July 19-21, 2016

Walworth Co., Wisconsin

This premier exposition (previously called Farm Progress Days) — the largest agricultural show in Wisconsin — is also one of the largest in the nation. The three-day outdoor event showcases the latest improvements in production agriculture, including many practical applications of recent research findings and technological developments. For more information see the [WI Farm Technology Days website](#)

A Major MG Conference in Our Own Backyard

Sept. 14-17, 2016

Midwest Regional MG Conference

Wisconsin Dells, WI

Helping Nature Thrive: Gardeners at the Dells.

Join the Wisconsin Master Gardener Association at the Chula Vista Resort in scenic Wisconsin Dells for educational sessions, area garden tours, expert speakers, and more. All details and registration information are on the official [Midwest MG Conference website](#).

Let's Go To A Movie!!

The Master Gardener Volunteers of Adams County have access to an old film of the Rothschild Gardens of England that will be shown for FREE at the theater in Adams on Saturday, April 30, at 2:30 p.m. It's about an hour long. Anyone interested is invited to attend.

November 15 NOTE EARLY MEETING DATE	MARS	Everglades Tour Program (re-scheduled from 2015) Gift Exchange Holiday Treats	Jan Sabin, WCMGV

March Garden Guide

- Plant tuberous rooted begonias indoors early in the month.
- Begin regular fertilization of houseplants.
- March is a good month to make cuttings of many houseplants.
- Order perennial plants and specify that they be delivered when the ground is workable.
- Start seeds of slow-growing annuals. Transfer them as appropriate in April to cold frame.
- Start bulbs of calla. They will bloom from June to August.
- Start seedlings of cabbage, celery, cauliflower, head lettuce, and parsley.
- Keep amaryllis foliage growing by watering and feeding.
- Continue to inspect stored vegetables. Anything showing signs of spoilage should be removed immediately and either used or discarded.
- Don't worry if spring-flowering bulbs are sending up green leaves. The foliage can withstand winter weather.
- March is the leanest month for wildlife, so protect shrubs and plants with wire cages or sprinkle ground with cat hair or blood meal.
- Do not remove mulch from perennials too early. Keep light covering of mulch over spring bulbs.
- Rake off last season's mulches on garden soil so it can dry and be warmed by the sun. Remove any plant residue left from last year.
- If the compost pile froze during winter, turn it now, and add fresh manure to help restart the composting process.
- Finish pruning dormant trees.
- Sharpen lawn mower blades and have mower serviced before spring rush.
- If you fertilize, apply to shade trees, fruit trees and shrubs when buds swell, as well as evergreens and raspberries.
- Prune summer flowering (after end of June) shrubs.
- Finish pruning grapes. Non-dormant pruning will cause excessive bleeding.
- Finish dormant pruning of fruit trees and berry bushes. Remove diseased or infected branches.

Spring Gardening Seminar

Saturday, April 25, 2015

8:30 am — 12:30 pm

8:00 am registration

8:30 am Laurie Lee, Herb'n Garden

presents: Herb Gardening from the Garden to the Dinner Plate
